## Hog Wild for Paws

(Pictured left to right with the new dryer are: Ravelle Schwab, Treasurer of HP, Roger Krause, Membership Officer for McHenry H.O.G. and Don DeLordo, Chairman of the McHenry H.O.G. Charity Ride )

Last September 2014, the McHenry H.O.G. (Harley Owners Group) held a charity motorcycle ride for Helping Paws and the Neighbors Food Pantry of Wonderlake. Over 65 riders braved fall weather to participate in a 100 mile ride through the beautiful back roads of McHenry County. The goal of the fundraiser was to raise money to replace the 25 year old industrial dryer the shelter had gotten in used condition many years ago.

In December 2014, Helping Paws was presented with a check for \$2,600 during the annual H.O.G. meeting at Woodstock Harley-Davidson. Additionally, Roger and Debby Krause, who are also Helping Paws Volunteers as well as H.O.G. members, donated an additional \$400 to cover the remainder of the cost and installation of the new dryer.

On order since December the new dryer was finally installed last month by Laundry Concepts. It was just in the nick of time, as the old dryer's motor had given up a few days earlier. Again, we cannot thank the McHenry H.O.G. group enough for coordinating this event and raising the money for the new dryer. Helping Paws relies on donations and fundraising events like these to operate the shelter.

## Art for the Paws Fundraiser

Make a \$25 tax deductible donation and receive an original piece of artwork while supporting Helping Paws. Art for the Paws is a new fundraiser, where 300 small canvases were collected by artists in the community and 256 were completed and returned to Helping Paws to become part of a custom 16x4 foot mural. This mural will

be displayed from April 1-15 at the Woodstock Public Library and then on April 18 from 6-9 pm at a reception at Mixin Mingle, 124 Cass St. in Woodstock. For the \$25 donation, you can receive a piece of the mosaic with all the proceeds benefitting Helping Paws. To see the pieces that will make up the mosaic go to: <http://www.facebook.com/ArtforthePaws> to make your donation for one of these unique pieces of art go to: <https://fs30.formsite.com/HelpingPaws/ArtforthePawsDonation/index.html>

She was found as a stray kitten at 6 weeks old with her siblings. They were taken to an animal control facility then Helping Paws took them because they had no one to foster them. ## 2nd Annual Have A Heart for Paws a Success!

We want to thank all the businesses that helped us with this year's "Have a Heart for Paws" fundraiser which ran the entire month of February. Helping us this year were: Nature's Feed, Charlie's Doghouse, Thomas' Tails, Nature's Balance Acupuncture, Dave's Woodstock Music, Read Between the Lynes and Quizno's Woodstock. The Paws were also available at the Shelter.

Collectively \$729 was raised at these businesses from their customers/clients who showed their support. We also received a small box of items donated from Charlie's Doghouse too!

Thank you to everyone who donated money for a Paw in honor of their pet, family member or just for fun.

## Paws for Applause!

We've got a great group of compassionate kids in our community! Here are some of the young animal-lovers who recently donated wish list items and raised money to help our shelter animals. We're impressed with their efforts to help pets in need. If you would like to make a difference in the daily life of a shelter pet, consider a donation from our wish list. Our most urgent needs at this time are bleach, paper towels, nylon leashes and collars, hard rubber toys like kongs and nylabones.

Thank you for your help!
